

ROOTS DIVINO

The world's first wine-based non-alcoholic vermouth

Handcrafted in Greece by brothers Manos and Nikolas Smyrlakis, Roots Divino takes real wine, infuses it with wormwood and Greek mountain herbs, then gently dealcoholizes it by reverse osmosis — keeping the body and bittersweet complexity of a true vermouth at 0.0% ABV. The Rosso was named Best in Show, Non-Alcoholic Spirit at WSWA Access Live 2024. Zepeim is your US wholesale distributor.

A TRUE VERMOUTH, WITH THE ALCOHOL REMOVED

The Roots Divino Difference

01 · STARTS AS WINE

Real wine (“di vino”) — the base that gives Roots its body and mouthfeel.

02 · GREEK BOTANICALS

Infused and macerated with wormwood and Greek mountain herbs, vermouth-style.

03 · GENTLY DEALCOHOLIZED

Reverse osmosis removes the alcohol while keeping the structure intact.

04 · AWARD-WINNING

Best in Show, Non-Alcoholic Spirit — WSWA Access Live 2024.
