

ROOTS DIVINO

The world's first wine-based non-alcoholic vermouth — fully 0.0%

Roots Divino is the world's first wine-based non-alcoholic vermouth, handcrafted in Greece by brothers Manos and Nikolas Smyrlakis. Sweetened wine is infused and macerated with wormwood and Greek mountain herbs, then gently dealcoholized by reverse osmosis — preserving the body and bittersweet character of a true vermouth. The range was named Best in Show, Non-Alcoholic Spirit at WSWA Access Live 2024. Zepeim is your US distributor.
